

SlimLine™ Mop Cover

The Micronova SlimLine™ flat head mop cover is made of 100% NovaPoly™, smooth polyester with interior foam. This elasticized mop cover easily fits onto a 360 swivel SlimLine mop adapter available in plastic (QPSL) or stainless steel (QDSL) options for effective cleaning and sanitization in the cleanroom and equipment surfaces in Iso 5 to 9 areas. Mop covers are available in three different lengths. A SlimLine slip cover is available without foam for single use applications.

*NovaPoly SlimLine Mops,
9 in to 18 in on QPSL
plastic mop adapters*
