

SLIMLINE CART 2 AND 3 BUCKET SYSTEM

Product Specification

Product Name:	SlimLine Cart 2 and 3 Bucket System
Manufacturer Part Number(s):	C-22S, C-33S, C-22SW, C-227
Description:	An electropolished stainless steel cart with polypropylene or stainless-steel buckets (Double Cart C-22S, C-22SW, C-227 or Triple C-33S.) The three 'grip-it' holders on the back of the cart allow for an easy inter-change and storage of handles and additional mop heads. The angled handle allows for easy handling in the cleanroom. Designed for clean and controlled environments.
